**QUALCARE, INC.
WORKERS' COMPENSATION CLAIMS REPORTING
AND EMERGENCY REPORTING PROCEDURE:**

Report ALL worker's compensation claims requiring medical treatment as soon as possible by calling your dedicated **QUALCARE HOTLINE:**

1-888-342-3839

Do not delay in reporting the claim even if you do not have all necessary information. After the First Report of Injury is taken, the First Report representative will ask the caller if they need to speak to the nurse on call. If so, the First Report representative will ask the caller for a number where they can be reached and will page the nurse. The nurse will call the First Report representative and obtain all pertinent information and call you back to review the process for assigning a nurse case manager and how we will obtain follow up for the injured worker. The nurse will also answer any questions you may have.

For **EMERGENCIES**, ask for the 24-hour nurse on call. As part of the **After Hours** services, there is a nurse on call 24 hours a day, 7 days a week. The nurse is available to speak to the caller in the event of a catastrophic injury. The nurse will be paged and you will receive a return telephone call. Have a contact name and telephone number available.
